

Reviving the Islamic Legacy of Holistic Healing

JOB DESCRIPTION | **Psychotherapist and Clinical Supervisor**

Position Title	Psychotherapist and Clinical Supervisor
Reports To	Clinic Manager
Mission	Grounded in Islamic traditions, Maristan aims to lead professional clinical care, education, and research in advancing holistic, mental and spiritual wellness.
Vision	Maristan strives to revive the Islamic legacy of research and education that informs holistic healing and provides culturally and spiritually congruent, professional, accessible, and affordable mental health care for all.
Location	Bay Area- California

**Position
Description**

The Clinician is responsible for providing clinical services to Maristan clients and students through our Muslim Mental Health Initiative (MMHI) with partnering universities. They will also be responsible for providing individual and/or group supervision to associate clinicians on a weekly basis. The individual should embody the organization's mission and vision and provide culturally and religiously congruent mental health services integrated with Islamic Psychology . They should be able to prioritize various tasks and responsibilities while working alongside fellow team and board members. This position offers the opportunity to help direct the growth of a nonprofit organization and implement mental health and wellness initiatives integrated with Islamic Psychology that serve our communities.

Duties and Responsibilities

The Clinician will perform duties, such as, but not limited to the following:

- Provide in-person or virtual individual, couples, family and group therapy through Maristan's clinic to clients in compliance with individual qualifications
- Provide in-person or virtual clinical consultations to Maristan new clients as needed
- Provide in-person or virtual clinical sessions and/or consultations to students through our MMHI programs.
- Offer in-person or virtual individual and/or group supervision to associate clinicians on a weekly basis.
- Maintain confidentiality of clinical and client information in accordance with HIPPA regulations, ethical standards, and Maristan's clinical policies
- Collaborate with other Maristan clinicians and the clinical team for better clinical outcomes for clients, clinic and Maristan overall
- Complete a wide variety of administrative tasks as required by position, including: billing, intake, progress notes, and invoicing
- Develop and execute on client treatment plans
- Attend bi-weekly staff and didactic meetings virtually
- Attend mandatory training(s) with Maristan's clinical manager and/or clinical coordinator for at least two weeks of up to one hour to familiarize with Maristan's clinic policies, Valant EMR, and other related topics
- Be familiar with Islamic concepts to support providing Islamically-integrated care for Maristan's Muslim clients
- Be familiar with telehealth practices and have access to a private room to render virtual services.
